ACICA SYMPOSIUM

ABOUT ACICA

The Australian Centre for International Commercial Arbitration (ACICA) is Australia's only international arbitral institution.

Established in 1985 as a not-for-profit public company, its membership includes world leading practitioners and academics expert in the field of international and domestic commercial arbitration.

ACICA aims to educate, promote and encourage the use of international commercial arbitration as a means of dispute resolution, and through its [Sydney Arbitral Advantage](#) initiative seeks to promote Sydney and Australia as an international seat of arbitration.

A designated appointing authority for various Australian legislation, ACICA has played a leadership role in the Australian government's review of the *International Arbitration Act 1974 (Cth)*.

In 2005 the ACICA Arbitration Rules were launched by the Chairman of the Commonwealth International Legal Services Advisory Council, the Hon Sir Laurence Street AC KCMG QC. Based on the UNCITRAL Arbitration Rules, they provide an advanced, efficient and flexible framework for the conduct of international arbitrations. ACICA is especially honoured that these rules have been selected for the 17th Annual Willem C Vis International Commercial Arbitration Moot.

ACICA wishes to acknowledge the support of the Australian Government and the Australian Ambassador to Austria, His Excellency, Mr Michael Potts and sponsors, Mr Alex Baykitch of [Holman Fenwick Willan](#) and Mr Robert Kus of [LECG Forensic Accounting](#).
