Arbitration Experience

Pete has arbitrated well over 250 disputes throughout the US and Europe principally involving: intellectual property disputes, including patent disputes concerning complex electronic and mechanical technologies; domain name disputes; information technology disputes; technology disputes; and telecommunications disputes. Pete has handled both domestic and international arbitrations, ranging up to US \$ 450 Million in contention, both on an ad hoc and administered basis, and carried out under UNCITRAL, LCIA, WIPO, CPR and AAA rule sets. Pete has served as chairman, sole arbitrator and neutral co-arbitrator, and has thus far rendered approximately 120 decisions involving domain names. For further information and Pete's full CV, see www.mandw.com/mich.html, and for his published decisions see www.mandw.com/decisions.html.
